Commercial Real Estate

We believe in harmony and respect

The world revolves around you – and not your home or office. If you have great home or office projects, we will help you to make the most of it.

With Plusworks, you can make you own choice in sourcing the best design, shape, size, color and material.

Our concept is all about you, your home or your office, and your exciting taste for finer aspects of life.

Commercial
Real Estate

Corporate Offices

We believe in functionality

Many corporate offices in the world talk about service. We talk about respect and we walk the talk. Respect for your office, respect for your culture, respect for your ideas and above all, respect for you.

Our staff will take it very seriously and never give up unless you are 100% happy. Great office and humility are always a good couple. And we know it.

Corporate Offices

Hospitality

We believe in affordable luxury

Today we live in world we often have to choose between expensive, elitist design and cheap common items.

At **World Resource**, we love to create an environment that combines the feeling of luxury in the quality, in the design, in the material, and at fair and affordable price. We believe in value addition – it is that simple. And it should be that way.

Hospitality

Residencial

We believe in individuality. If a good looking sofa kills your back; if a fabric is too delicate to be used; if a design is so fancy, that you can't figure it out – it does not work.

At World Resource Experts, we ensure that these products not only look great, but Work in your everyday life too. So you don't have to worry whether the sofa will look good the table? Or does the table go with the carpet?

We think about you and your taste – it is all about making your home come together so you can enjoy the harmony in interior that will last for years.

Our expertise, quality and concept are all set in our DNA so that we can spend time focusing on you.

We have sourced and supplied various products like modern / classical style furniture, indoor / outdoor lightings, marbles, tiles, sculptures, sanitary wares, modular kitchens, decorative, etc for more than 500 HNI residences across Pakistan, USA Dubai, Oman, Angola and Brazil.

Residencial

Education & Healthcare

We believe in consistency and ergonomics

Education and healthcare requirements needn't be fancy. What you can't figure out – does not work. The products here just doesn't have to look great, but work in your everyday life too.

We, at World Resource , have learned our lessons well and deliver quality and concept which are set so that you can spend time on focusing what's important to you.

Time changes and maybe the scenario changes too, but our Delivery DNA won't.

We sculpt every products with love and care.
